Legal

Corporate and Trade Law.

We can advise you on International **Contracting** and offer legal assistance with **Lawsuits** and dispute resolutions.

Accounting

Two possible ways:

Supervision and and Assessment

You do the accounting job by your means, and we supervise it.

Accountancy Outsourcing

We do the accounting job by our means. In a regular meeting, we collect all the documents that need to be processed.

Client Area: A customer portal on the Web, iOS and Android.

Incorporation of express companies

We are certified PAE Centre (Help desk for Entrepreneurs) by the Ministry of Industry, Energy & Tourism to be able to act as such.

The online start up system speeds up business setup processes and reduces the amount of visits needed to Public Agencies.
